Introduction

The following Laws of the Small Sided Game are the Laws for use in Small Sided Games in the Province of Ontario. These Laws were revised based on the following principles:

To better reflect the game that is being played in many venues, leagues and competitions across Ontario.

- To apply simplify the understanding of the game for both players and referees.
- To improve the technical quality of play in the small-sided game.
- To encourage participation and enjoyment in a safe and controlled environment.

A line in the left-hand margin indicates Law amendments.

Law 1: The Field of Play

Field Markings

The field of play must be rectangular and marked with lines or flat field markers. The lines or markers belong to the areas of which they are boundaries.

The two longer lines are called the touch lines; the two shorter lines are called the goal lines.

The field of play is divided into two halves by a halfway line, which joins the midpoint of the two touch lines.

The field and goal dimensions as outlined below shall be considered as desirable guidelines. Failure to conform to the recommended field and goal dimensions shall not be the subject of protest. It is understood and agreed that clubs / teams may be unable to provide the desired fields, equipment, etc. Flexibility is understood and allowed.

Dimensions

The field of play must be rectangular. The length of the touch line must be greater than the length of the goal line. Recommended field dimensions are as follows:

Width	Length
30 m – 36 m (98.42ft – 118.11ft)	40 m – 55 m (131.23ft – 180.44ft)

The Corner Area

The corner area is defined by a quarter circle with a radius of 1 m (1 yd) from each corner flag post drawn inside the field of play. Corner flags are mandatory.

The Goal Area

The goal area is the same as the penalty area.

The Penalty Area

Two lines are drawn at right angle to the goal line, five (5) metres from the inside of each goal post. These lines extend into the field of play for a distance of twelve (12) metres and are joined by a line parallel with the goal line. The area bounded by these lines and the goal line is the penalty area.

Within each penalty area a penalty mark is made nine (9) metres from the midpoint between the goalposts and equidistant to them.

Penalty Arc

An **optional** penalty arc with radius five (5) metres from each penalty mark is drawn outside the penalty area.

Flag Posts

A flag post, not less than 1.5 m high, with a non-pointed top and a flag must be placed in each corner.

Goals

A goal must be placed on the centre of the goal line.

A goal consists of two upright posts equidistant from the corner flag posts and joined at the top by a horizontal crossbar or two flat markers equidistant from the corner flag.

The size for goals are as followed:

Width	Height
4.8m (16 ft)	1.8m (6 ft)

Safety: Goals must be anchored securely to the ground. Portable goals may only be used if they satisfy this safety requirement.

Law 2: The Ball

Size 4 balls or 5 light balls can be used.

Requirements for balls size 5 light:

Weight	Circumference
350-370g	68-70cm

If a ball becomes defective during the match, the match is stopped until a replacement ball is found. Play is restarted by dropping the replacement ball at the place where the original ball became defective.

Law 3: The Players

A match is played between two teams where one of the players on the field must be designated as the goalkeeper. The minimum, maximum number of players and roster size are listed below:

Minimum number of players	Maximum number of players	Maximum Roster Size
5	7	12

If at any time during the game the number of players available to play drops below the minimum, the game shall be stopped.

Substitutions

Unlimited substitutions may be made throughout the game. All substitutions are only allowed at the discretion of the Referee and the Referee shall be advised of all substitutions.

Substitutions may be made on any stoppage.

Infringements and Sanctions

If a substitute or substituted player enters the field of play without the referee's permission:

- The referee stops play (although not immediately if the substitute or substituted player does not interfere with play)
- The player shall leave the field of play
- If the referee has stopped play, it is restarted with an indirect free kick for the opposing team from the position of the ball at the time of the stoppage.

Goal Scored with an Extra Person on the Field of Play

If, after a goal is scored, the referee realizes, before play restarts, an extra person was on the field of play when the goal was scored:

The referee must disallow the goal if the extra person was:

- A player, substitute, substituted player, sent off player or team official of the team that scored the goal
- An outside agent who interfered with play unless a goal results as outlined above in 'extra persons on the field of play. The coach and other officials named on the team list (with the exception of players or substitutes) are team officials. Anyone not named on the team list as a player, substitute or team officials is an outside agent.
- Play is restarted with a goal kick, corner kick or dropped ball.

The referee must allow the goal if the extra person was:

- A player, substitute, substituted player, sent off player or team official of the team that conceded the goal
- An outside agent who did not interfere with play

If play is stopped by interference from:

- A team official, substitute, substituted or sent off player, play restarts with an indirect free kick or penalty kick
- An outside agent, play restarts with a drop ball

If the ball is going into the goal and the interference does not prevent a defending player playing the ball, the goal is awarded if the ball enters the goal (even if the contact was made with the ball) unless the ball enters the opponents' goal.

If, after a goal is scored, the referee realizes, after play restarts, an extra person was on the field of play when the goal was scored, the goal cannot be disallowed. The referee must:

- Stop play
- Have the extra player leave field of play
- Restart with a drop ball or free kick as appropriate

The referee must report the incident to appropriate authorities.

Law 4: The Players' Equipment

Players shall not wear anything which endangers themselves or other players.

Basic compulsory equipment shall consist of:

- A jersey or shirt with sleeves – Pinnies are also accepted
- Shorts
- Socks
- Shin guards
- Appropriate footwear

Shin guards:

- Must be completely covered by the socks
- Are to be made of rubber, plastic or a similar suitable material

- The two teams must wear colours that distinguish them from each other and also the referee.
- Each goalkeeper must wear colours which are distinguishable from all outfield players and the referee. Pinnies / bibs are recommended to save jersey switching.

Non-uniform clothing is allowed based on weather conditions, but uniforms must still distinguish teams.

A player who is asked to leave the field of play because of defective or dangerous equipment may not re-enter the field of play until the referee is satisfied that the equipment is permissible. The equipment may only be inspected during a stoppage in play

Jewellery is not permitted and cannot be taped. Medic Alert bracelets and necklaces are the exception provided that they are fastened securely so as not to bring danger to any other player. The referee should be aware of any player that is wearing one of these.

Any hair apparel must be of soft fabric, no plastic or metal items are to be worn.

Sports hijabs / headscarves are permitted.

Referees have the final say on the safety of equipment.

Law 5: The Referee

A goal may be scored directly from a kick-off.

Procedure

Before the kickoff at the start of the match

Definition of Dropped Ball

A dropped ball is a method of restarting play when, while the ball is still in play, the referee is required to stop play temporarily for any reason not mentioned elsewhere in the Laws of the Small Sided Game. Some examples of this are an injury or interference by an outside agent.

Procedure

The referee drops the ball at the place where it was located when play was stopped, unless play was stopped inside the penalty area, in which case the referee drops the ball on the penalty area line parallel to the goal line at the point nearest to where the ball was located when play was stopped.

Play restarts when the ball touches the ground.

- It rebounds off the referee

Law 10: Determining the Outcome of a Match

A goal is scored when the whole of the ball has crossed over the goal line between the goal posts and under the crossbar, provided that no infringement of the Laws of the Small Sided Game has been previously committed by the team scoring the goal.

When goalposts are not available and cones are used instead, a goal is scored when, in the opinion of the referee, the whole of the ball crosses over the goal line between or above the cones, below two (2) meters, as shown on the picture below:
